ACTIVE OLDER ADULTS

AOA STRENGTH TRAINING This strength training workout is especially for older adults, or anyone who would like to include a low-intensity, low-impact workout in their fitness plans. **ALL LEVELS**
SILVER SNEAKERS@ CLASSIC Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance; and a chair is used for seated and/ or standing support. **ALL LEVELS**

AQUA FITNESS

WATER AEROBICS An instructional class of aerobic movements performed in the water, to improve cardiovascular fitness, and flexibility.

CARDIO

INTERVAL TRAINING High intensity cardio alternated with recovery periods of lower cardio intensity.
SPIN@ ORIENTATION Learn appropriate bike settings and body alignment.
SPIN@ An intense cardio workout of simulated road bike riding to energizing music.

CONDITIONING

BOOT CAMP A challenging workout for your entire body, using calisthenics such as pushups, jumping jacks, crunches and other body weight exercises.
INSANITY Insanity Live! Workout in 3 to 5-minute blocks, and take breaks only long enough to gulp some air and get right back to work. It's called Max Interval Training, because it keeps your body working at maximum capacity through your entire workout. You keep pushing your limits - so your body has to adapt.
KETTLEBELLS This is a total body workout that blends highly effective techniques for improving muscular endurance, total body coordinated movements and cardiovascular conditioning. Each movement and progression is taught with an emphasis on safety, highlighting essential body alignment. Take your body to the next level with Kettlebell training!
P90X Power through a full-body workout that will keep your body guessing—and transforming—with a variety of strength-training moves, cardio conditioning, and core work.
STRONG BY ZUMBA® An overall conditioning workout combining body weight, muscle conditioning, cardio and plyometric training moves synced to original music that has been specifically designed to match every single move.
TOTAL BODY CONDITIONING A full body workout designed to strengthen and tone the upper and lower body using an assortment of fitness equipment.
TRAIN LIKE AN ATHLETE Athletic drills create an intense efficient workout to get your performance and conditioning to the next level.

DANCE

ZUMBA® Zumba® takes the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.

FAMILY FRIENDLY

BABY & ME YOGA A great way to bond with your baby! This class is designed to help new parents gain strength and flexibility, while incorporating baby in the process. It also provides opportunities to build relationships with other new parents.
TOT & ME YOGA Parents and children playfully move together through poses and songs appropriate for toddlers.
PUNK ROPE A high energy, fun fitness class great for the entire family, combining rope jumping with a wide variety of creative conditioning drills to fun music.

MARTIAL ARTS

SHOKOTAN KARATE (18+) Shotokan is a karate practice that teaches self defense through a series of specific forms. This Shotokan Karate class will be a challenging workout, with a focus on form and technique. **BEGINNER TO ADVANCED**
TAI CHI An ancient form of mind and body exercise that uses purposeful, slow movements in a form of meditation for relaxation, health and self-defense.
TAI CHI - SWORD An ancient form of mind and body exercise that uses purposeful, slow movements with the use of a sword. **BEGINNER**

MIND/ BODY

GENTLE YOGA Designed to teach basic yoga postures that will enhance flexibility, strength and balance and promote relaxation.
GENTLE FLOW YOGA A relaxing style of yoga that is intended to be healing and nurturing for the body.
HATHA YOGA A yoga class that integrates postures, breathing exercises, relaxation and meditation to stretch, strengthen and condition.
MEDITATION Discover inner silence and calm through this introduction to meditation. A variety of techniques will be experienced during classes, designed to relax and re-calibrate the mind.
PILATES MAT Based on original Pilates techniques, this class is designed to restore muscular balance, improve posture, helps prevent injury and build strength and flexibility.
PiYo™ PiYo combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility advantages of yoga. And, we crank up the speed to deliver a true fat-burning, low-impact workout that leaves your body looking long, lean, and incredibly defined.
YOGA A type of exercise in which you move your body into various positions in order to become more fit or flexible, to improve your breathing, and to relax your mind.
VINYASA YOGA Flowing sequences of yoga poses linked together by an emphasis on breathing technique.
