

Active Older Adult (AOA)

Silver Sneakers® Classic –Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a Silver-Sneakers ball are offered for resistance. A chair is used for seated and/or standing support.

Zumba Gold ®–The easy-to-follow program that lets you move to the beat at your own speed. It's an invigorating, community-oriented dance-fitness class that feels fresh, and most of all, exhilarating! Zumba Gold® provides modified, low-impact moves and easy-to-follow pacing for a healthy, active lifestyle!

Yoga Stretch®– Yoga Stretch will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance and range of movement. Restorative breathing exercises and a final relaxation will promote stress reduction and mental clarity.

Cardio

BOSU® Conditioning – Challenge your coordination and functional strength like never before with BOSU ball training. BOSU will provide a complete workout—total body strength, cardio and balance training—like you have never experienced before.

H.I.I.T- Supercharge your fitness with this challenging class of high speed, high intensity work alternated with recovery periods of low intensity.

POUND- is a full-body cardio jam session, combining light resistance with constant simulated drumming. The workout fuses cardio, Pilates, isometric movements, plyometrics and Isometric poses.

Indoor Cycling – A great cardio workout of simulated road bike riding to energizing music, appropriate for all fitness levels. You can adjust your workout to match your personal level. The instructors will lead you on a ride designed to improve your fitness on a variety of levels.

Step – A great cardio workout for all fitness levels. Using an aerobic step with or without risers, class members step up and down to the music giving a complete upper and lower body.

Dance

Soca AFRO-bics® – A high intensity dance fitness class fused with African dance, African music, Caribbean dance, Soca music and aerobics!

Zumba® – Zumba® takes the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.

Soca Dance Party– This Caribbean based dance fitness class is designed to make you have fun and sweat just like you would if you were at Carnival! Let loose and dance to the Soca music.

World Dance – A dance movement class that focuses on the core muscles, emphasizing muscular isolation. Dance to rhythms from around the World while learning traditional movements and combinations.

Family

Family Stretch – The whole family (Adults with Children 5+) will get to stretch their muscles. They will also enjoy the fun and bonding that comes with family activities. Children should dress comfortably. Equipment provided.

Fit Kids – Run, jump, catch, dance, and have fun. This class is all about moving, staying healthy, and having fun.

Zumba Kids® – The Zumba Kids program is the ultimate dance-fitness party for young Zumba fans ages 7-11, where they can play it loud and rock with friends! Age-appropriate music moves and gets kids movin' to the beat.

Zumba Kids Jr® – The Zumba Kids Jr. classes are a dance party for lil' feet where pint sized party animals get silly, dream big, and begin their journey to a healthy future. (Ages 4-6)

Strength

Boot Camp – An efficient circuit training workout that challenges your entire body, utilizing calisthenics such as pushups, jumping jacks, crunches and other body weight exercises.

BOSU® Conditioning – Challenge your coordination and functional strength like never before with BOSU ball training. BOSU will provide a complete workout—total body strength, cardio and balance training—like you have never experienced before.

Deep Definitions – Sculpt and define every inch of your body in this strength training class.

Kettle bells –This is a total body workout that blends highly effective techniques for improving muscular endurance, total body coordinated movements and cardiovascular conditioning. Each movement and progression is taught with an emphasis on safety, highlighting essential body alignment.
