Revised July 28rd, 2019

Bronx YMCA
GROUP EXERCISE
Spring II Session Schedule:
July 1st - August 25th, 2019

Healthy Lifestyle will be on break from
August 26th- September 2nd, 2019

Adaptive Yoga: For all level of abilities no matter their differences. A practice of mindfulness and breathing.

Boot Camp: A challenging workout for your entire body, using calisthenics such as pushups, jumping jacks, crunches, and other body weight exercises.

Circuit Training: A fast-paced workout that will challenge you with different activity stations. This class focuses on abdominal, back and core muscle training and stabilization to improve the body's overall strength.

Core Training: This class focuses on abdominal, back and core muscle training and stabilization to improve the body's overall functional strength.

Deep Definitions: Sculpt and define every inch of your body in this strength training class.

Hatha Yoga: A yoga class that integrates postures, breathing exercises, relaxation and meditation to stretch, strengthen and condition.

Kettlebells: Learn and perfect kettlebells movements. In a series of stations. This is a total body workout that blends highly effective techniques for improving muscular endurance, total body coordinated movements and cardiovascular conditioning.

Lower Body Blast: Focus on your lower body-hips, glutes and legs with strengthening workout.

PiYo®: PiYo combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility advantages of yoga, cranked up speed to deliver a true fat-burning, low-impact workout that leaves your body looking long, lean, and incredibly defined.

Restorative Yoga: Avoid burnout and exercise the mind. A yoga class focused on your inner energy and well-being. Calm the body and Mind.

SilverSneakers® Cardio: Get up and go with an aerobics class that's safe, heart-healthy and gentle on the joints. The workouts include easy-to-follow low-impact and upper body strength, abdominal conditioning, stretching and relaxation exercise designed to energize your active lifestyle.

SilverSneakers® Circuit: Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper-body strength work with hands-held weights, elastics tubing with handles, and a silver sneakers ball is alternated with low impact choreography. A chair is used for standing support, stretching and relation exercises.

SilverSneakers® Yoga: This class will improve your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of movements. Restorative breathing designed to increase flexibility, balance and range of movement. Restorative breathing exercises and final relaxations will promote stress reduction and mental clarity.

Spin®: An intense cardio workout of simulated road bike riding to energized music. This class will work on the concept of race riding using timed spinning intervals at various times throughout the class.

Tabata: Non-stop action. Tabata is a short 20-second interval followed by 10 seconds of rest. Intervals are stacked in cycles of 8.

Total body Conditioning: A full body workout designed to strengthen and tone the upper and lower body using an assortment of fitness equipment.

Vinyasa Yoga: Flowing sequences of yoga poses linked together by an emphasis on breathing technique.

Water Aerobics: An instructional class of aerobics movements performed in water to improve cardiovascular fitness, and flexibility.

Zumba®: Zumba® takes the "work" out of the workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning, dance fitness party.

Zumba® Gold: The design of the class introduces easy-to-follow Zumba® choreography that focuses on balance, range of motion and coordination. Come ready to sweat, and prepare to leave empowered and feeling strong.

KIDS GROUP FITNESS CLASSES

Kids Zumba®: Classes feature kid-friendly routines based on original Zumba® choreography. We break down the steps, add games, activities and cultural exploration elements into the class structure. Helps develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun.

CATCH®: Coordinated Approach To Child Health. The CATCH kids Club is a recreation program to promote behaviors that assist in developing and maintaining health in school-age children. The primary goal is to promote healthy nutrition and physical activity behavior.
