# SOUTH SHORE YMCA PRESCHOOL

The YMCA believes that a quality program should provide enriching experiences which facilitate a child's cognitive, social, physical and emotional growth. We strive to meet the developmental needs and temperament of each individual child by working in partnership with families. YMCA Early Childhood Development programs, licensed by the New York City Department of Health, provide a nurturing environment where children's natural curiosity is a springboard to learning skills that are necessary for success in school. Children learn how to share, take turns and work in groups. They also develop age-appropriate skills that form the foundation for reading, writing and mathematics. Imaginative play, art projects and hands-on experience will spark your child's imagination and encourage lifelong, positive values. For additional information, or to arrange a tour, call Bonnie Schiuma, Early Childhood Director, at (718) 227-3200 or [bschiuma@ymcanyc.org](mailto:bschiuma@ymcanyc.org).

## 3-K & PRE-K FOR ALL (UNIVERSAL PRE-K FOR AGES 3 & 4 YEARS)

The Staten Island South Shore YMCA presents NYC's FREE full-day PRE-K 3 and PRE-K FOR ALL, a quality program five days a week that is open to members and non-members of the Y! We focus on developing children by providing a safe, nurturing environment where they are intellectually, socially and physically stimulated while participating in fun activities. Children will be engaged with highly qualified, certified teachers and personnel. Our curriculum places a high priority on creating an environment in the classroom that encourages children to experiment, explore and pursue their own interests.

**Cost: FREE for all residents of NYC, spots are limited; first come, first reserved! Participants for Pre-K for All must be born in 2015 and 3-K for All must be born in 2016 to enroll in the 2019-2020 school year. # SWIM STAGE DESCRIPTIONS

## SWIM STARTERS

Accompanied by a parent, infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

### A / WATER DISCOVERY

Parents accompany children in stage A, which introduces infants and toddlers to the aquatic environment through exploration and encourages them to enjoy themselves while learning about the water.

### B / WATER EXPLORATION

In stage B, parents work with their children to explore body positions, floating, blowing bubbles, and fundamental safety and aquatic skills.

## SWIM BASICS

Students learn personal water safety and achieve basic swimming competency by learning two benchmark skills:

- Swim, float, swim—sequencing front glide, roll, back float, roll, front glide, and exit
- Jump, push, turn, grab

### 1 / WATER ACCLIMATION

Students develop comfort with underwater exploration and learn to safely exit in the event of falling into a body of water in stage 1. This stage lays the foundation that allows for a student's future progress in swimming.

### 2 / WATER MOVEMENT

In stage 2, students focus on body position and control, directional change, and forward movement in the water while also continuing to practice how to safely exit in the event of falling into a body of water.

### 3 / WATER STAMINA

In stage 3, students learn how to swim to safety from a longer distance than in previous stages in the event of falling into a body of water. This stage also introduces rhythmic breathing and integrated arm and leg action.

## SWIM STROKES

Having mastered the fundamentals, students learn additional water safety skills and build stroke technique, developing skills that prevent chronic disease, increase social-emotional and cognitive well-being, and foster a lifetime of physical activity.

### 4 / STROKE INTRODUCTION

Students in stage 4 develop stroke technique in front crawl and back crawl and learn the breaststroke kick and butterfly kick. Water safety is reinforced through treading water and elementary backstroke.

### 5 / STROKE DEVELOPMENT

Students in stage 5 work on stroke technique and learn all major competitive strokes. The emphasis on water safety continues through treading water and sidestroke.

### 6 / STROKE MECHANICS

In stage 6, students refine stroke technique on all major competitive strokes, learn about competitive swimming, and discover how to incorporate swimming into a healthy lifestyle.

#### PROGRAM OVERVIEW

**Little Steps** is an expressive art and play therapeutic program for children (ages 5-17) whose lives have been affected by their family's use of drugs or alcohol. The program offers expressive activities through which children learn to identify and change patterns of thinking, feeling and behavior.

**Adolescent Programs** focus on adolescents and young adults (ages 12-21) who are displaying high-risk behaviors and attitudes as well as those teens who are struggling with alcohol and/or drug use. Through group and individual treatment, we work to empower young people to achieve a positive, productive and drug-free lifestyle.

**Youth/Adolescent Anger Management** is open to youth (ages 5 – 11) and adolescents (ages 12 – 17). Anger Management is a 12-week program that seeks to reduce anger and improve coping skills in our young people. This program is designed to combat unhealthy core beliefs, promote responsible behavior and enhance quality of life. There is a nominal fee for this program.

**Parenting Skills** is a 12-week program aimed at enhancing knowledge and understanding of the multi-faceted issues involved in parenting. These classes take an in-depth look at child development, communication, discipline, child/family health, learning/play, stress, nutrition, budget, substance abuse, family violence and teen behavior. There is a nominal fee for this program.

**Family Association** is open to the community and is a network of parents, spouses, guardians and other family members. This group meets weekly, providing a supportive venue where individuals can learn new skills for dealing with the complex issues associated with living with a family member's addiction.

**Adult Programs** help chemically-dependent adults work toward recovery from addiction through group and individual treatment. This not only means accepting their struggles with substances, but also facing the relationship problems, economic hardships or personal issues that may be contributing to their use of drugs and/or alcohol. Adult services include programming for individuals struggling with mental health and substance use disorders as well as those utilizing medication to support their recovery efforts.

**Honoring Longtime Community Leader**

**Terry Tarangelo**

Join us as we honor Terry Tarangelo for her work as a community leader on Staten Island. Terry truly exemplifies the YMCA's mission to strengthen community through her passion for helping others. After 40 years as a career banker, she's dedicated her time to serving many community organizations, including Eden II, Meals on Wheels, the Stephen Siller Tunnel to Towers Foundation, and the Staten Island Agency for Alzheimer's and Dementia. She's also served as a committee member with the South Shore Rotary, Cooley's Anemia, ECHO Foundation, and Staten Island University Hospital.

# BECOME A BOARD MEMBER OF SOUTH SHORE YMCA!

The South Shore YMCA Board of Managers is a group of volunteers that include members, residents and business owners from our community. This dedicated group of individuals participate in a range of South Shore YMCA events and fundraising activities. They meet six times a year and each member has a role on a subcommittee. Some of our board members have a long history with the YMCA including the opening of its current location, and are instrumental in helping the branch meet its yearly Annual Campaign goals. Other members are new to this organization and bring a wealth of new ideas with a fresh perspective to the mix.

Here are some ways you can contribute when you become part of the South Shore YMCA Board of Managers:

- **Become a campaigner during our Annual Campaign**
- **Help educate your friends and community about our causes**

## HOW TO CONTROL YOUR BLOOD PRESSURE

Nearly 80 million adults have high blood pressure in America. Less than half have it under control. The YMCA's Blood Pressure Self-Monitoring Program can help.

The four-month program supports adults with hypertension in lowering and managing their blood pressure. With support from trained heart coaches, participants will:

- Monitor blood pressure at home
- Receive personalized consultations
- Attend nutrition seminars

Visit [ymcanyc.org/bloodpressure](http://ymcanyc.org/bloodpressure) for more information.  
Contact Theresa Solimeo for start dates at 718-227-3200,

# LOCKER ROOM & SAUNA ETIQUETTE

While in our YMCA, we ask you to please follow the below to keep our facilities safe and comfortable for all members and guests.

## LOCKER ROOM ETIQUETTE

1. Full and half lockers are for day use only and are free. They should be emptied after every use. Safe boxes also are available free of charge at the Member Service Desk for valuables, i.e. wallets, watches, phones, etc.
2. Members must bring their own locks. We are not responsible for any lost or stolen items.
3. Items may not be left in lockers overnight, except with the permission of the Executive Director. All other lockers will be clipped nightly.
4. Please be courteous and respectful to all when using the locker rooms. Please refrain from using inappropriate language and please clean up after yourself and help us keep our Y clean.
5. The South Shore YMCA has several locker rooms to meet your needs. These include locker rooms specifically designated for men, women, families and special needs individuals. Please check with the Member Service Desk on the age ranges of our locker rooms and for any other questions.

**THE YMCA CAN NOT ASSUME RESPONSIBILITY FOR LOSS OR THEFT OF PERSONAL PROPERTY.**

## SAUNA ROOM ETIQUETTE

1. No one under the age of 18 is permitted in the sauna.
2. No water or water bottles are permitted.
3. No lotions, creams or oils are allowed.
4. No street clothes or shoes are allowed.
5. Do not dry your wet clothing in the sauna.
6. Do not pour water on the hot coals; doing so may result in sauna shut off.
7. Please follow posted signage with more information.

# CODE OF CONDUCT

**At New York City's YMCA, creating a safe and welcoming environment is a team effort.**

**We ask everyone — staff, members, and guests — to follow our Code of Conduct, which is based on our core values of caring, honesty, respect, and responsibility.**

1. Speak in respectful tones; refrain from the use of vulgar or derogatory language; and dress appropriately.
2. Resolve conflicts in a respectful, honest, and caring manner; never resort to physical contact or threatening gestures.
3. Respect others by refraining from intimate behavior in public; abstain from contact of a sexual nature.
4. Respect the property of others; never engage in theft or destruction.
5. Create a safe, caring environment; never carry illegal firearms or devices.
6. Participate in programs to build a healthy spirit, mind, and body; never engage in the use, sale, dispensing, or possession of illegal drugs or narcotics, or the unsanctioned use of alcohol on YMCA premises.
7. Adherence to the YMCA Code of Conduct and regulations is essential.

**Cooperation among staff, members, and guests is an important part of making our YMCA welcoming to all.**

*Suspension or termination of membership or employment with the YMCA may result from violating this Code of Conduct.*

# EXERCISING COURTESY

To make your YMCA experience safe and enjoyable, please review the following tips.

- 1. Get oriented.** Not sure how to use the equipment or what you should be doing? Orientations are free for all members!
- 2. Speak up.** Report any incidents or accidents to a uniformed staff member immediately. Notify a staff member if equipment is not working properly.
- 3. Be safe.** Appropriate clothing and footwear for exercise are required. Sandals, open-toed shoes, and street clothing, or other clothing that restricts movement are not allowed.
- 4. Get a buddy.** We strongly encourage working out with a partner and using a spotter when training with free weights.
- 5. Keep it simple.** Our fitness equipment was not designed for the use of straps, belts, chains, ropes, and other devices designed for pulling or pushing the equipment. Doing so will compromise the stability of fitness center equipment and your own safety.
- 6. Please help keep facilities clean and safe** by wiping off equipment after use, returning all equipment to its proper place, picking up personal items, and removing plates from weight lifting bars when you are finished. Do not bring food, open containers, or coffee cups into the fitness center.
- 7. Give others a turn** by respecting the 30-minute time limit on all cardiovascular equipment if others are waiting.
- 8. Lock it up.** Daily lockers are reserved for your personal items while you are in the Y. Items may be left overnight in rented lockers only. Please visit the front desk for more information on monthly locker rentals.
- 9. Youth are welcome.** Before using the Fitness Center, children ages 12 to 17 must complete an orientation session and submit a signed parental consent form to staff.
- 10. Hang it up.** For your security and safety and the consideration of others, please refrain from cell phone use in the fitness facilities.
