## EARLY CHILDHOOD CAMP Ages 3–4

Early Childhood Camp is for children 3 through 4 years old. Campers have the same fun as the big kids, but they stay closer to home. ECC engages our youngest campers with hands-on, experiential, fun experiences that support each child's need to explore the world around them while preparing them for the upcoming school year. Thematic activities incorporate play-based learning, music & movement, gross motor development, language and literacy, socialization, and fun. Children must be toilet-trained.

Cost per two-week session:  
Member: \$880 | Community: \$959

## TRADITIONAL DAY CAMP Ages 6–12

At the YMCA Summer Day Camp, each day is a fun new adventure. Campers participate in traditional camp activities that get them active in physical fitness, get them creative in arts and crafts, get them to experiment in exciting science activities, and get them silly in theme day activities. All campers will have the opportunity to participate in instructional swim.

Cost per two-week session:  
Member: \$800 | Community: \$880

## KINDER CAMP Ages 4–5

Kinder Camp is designed for children entering kindergarten in September 2023. Structured Day Camp activities support the transition to kindergarten by building social and emotional skills in a fun and nurturing environment, including a focus on classroom structure, transitional activities, and group play. All campers will have the opportunity to participate in instructional swim.

Cost per two-week session:  
Member: \$880 | Community: \$959

## SPORTS Ages 7–12

Kids have been stuck indoors for too long! At the Y, they'll have the chance to be active while having fun playing different sports. Campers will explore the world of sports, the values of teamwork, good sportsmanship, and motivating each other to succeed, while strengthening their appreciation for health and fitness. All campers will have the opportunity to participate in instructional swim.

Cost per two-week session:  
Member: \$853 | Community: \$933

## SWIM CAMP Ages 7–12

YMCA Swim Camp combines the traditional fun of Day Camp with a specialized focus on skills and learning related to aquatic activities. Our campers develop a lifetime love for the water, and a deep understanding of water safety and responsibility. All swimmers are individually tested, and instruction is tailored to meet them at their age and skill level.

Cost per two-week session:  
Member: \$907 | Community: \$986
