WHAT'S GOING ON?

January Recap:

We had an incredible start to the New Year. Our MLK Day was such an amazing success, we collaborated with Vanderbilt YMCA Teen Programs and collectively 74 teens came out to create care packages for those in need along with delivering these packages directly to the community. We had our first resume and cover letter workshop of the year and the teens began their read aloud sessions with our Early Childhood school for the Black Excellence Exhibit being displayed on February 29th 2024.

February Plans:

We have a super jam packed February planned for the teen programs. We have the sweetheart soiree, Ceramic workshops begin where our teens will be making masks and bowls, we have our watercolor class series beginning, The Early Childhood program here at West Side Y hosts a Black Excellence Exhibit each year to close our Black History Month and this year our teens have the pleasure of collaborating with Early Childhood on this event. Our teens will be leading activities and reading stories with our young ones in Early Childhood Afterschool. Something that the Teen Program has never done is host a Y teen program from another country and in February we have the pleasure of hosting the Seoul Korea Y Teen Program.
