Report of Independent Auditors

To the Board of Directors of
Young Men's Christian Association of Greater New York

Opinion

We have audited the accompanying financial statements of Young Men's Christian Association of Greater New York (the "Association"), which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities and of functional expenses for the year ended December 31, 2025 and of cash flows for the years ended December 31, 2025 and 2024, including the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as of December 31, 2025 and 2024, the changes in its net assets for the year ended December 31, 2025, and its cash flows for the years ended December 31, 2025 and 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

We previously audited the statement of financial position as of December 31, 2024, and the related statements of activities, of functional expenses, and of cash flows for the year then ended (the statements of activities and of functional expenses are not presented herein), and in our report dated June 2, 2025, we expressed an unmodified opinion on those financial statements. In our opinion, the information set forth in the accompanying summarized financial information for the year ended December 31, 2024 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for one year after the date the financial statements are issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

1. Organization

Background

The financial statements of the Young Men's Christian Association (YMCA) of Greater New York (the "Association") include the accounts of the Association Office and all its branches.

The Association is a community service organization founded in 1852 for all New Yorkers to empower youth, improve health and strengthen community. The Association served members and program participants in the years ended December 31, 2025 and 2024, at branch locations across New York City and public schools, parks and community centers throughout the five boroughs. All Association programs teach the core values of caring, honesty, respect and responsibility and continue our 173-year tradition of emphasis upon youth, healthy lifestyles, adult education, community collaboration and problem solving. The Association is an open and inclusive organization and welcomes all people without discrimination on the basis of race, ethnicity, color, national origin, citizenship, creed, religion, age, abilities, sexual orientation or income. The Association is a member organization of the National Council of Young Men's Christian Association of the United States of America (Y-USA) which enables the Association to operate as a YMCA within the five boroughs of New York City. The Association is an autonomous legal entity and as such, its financial statements are issued separately and are not consolidated with Y-USA.

The Association is supported primarily by membership dues and program fees, residence and related services, government contract revenues, and contributions.

Tax Exempt Status

The Association qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code (the Code) and has been determined not to be a private foundation under Section 509(a)(1) of the Code.

2. Accounting Policies

Basis of Accounting and Presentation

The financial statements of the Association are prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America ("GAAP"). The statements of financial position are presented in order of liquidity.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The most significant estimates relate to the collectability and carrying value of receivables, investments measured at NAV, and self-insurance loss accruals.

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

Net Asset Accounting

The Association classifies operating revenues and public support, operating expenses and nonoperating changes based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Association and changes therein are classified and reported as follows:

Net assets without donor restrictions include net assets available for use in general operations and are not subject to donor (or certain grantor) restrictions, such as public support and revenues that are not subject to donor-imposed stipulations. All expenses are reported as decreases in net assets without donor restrictions with the exception of investment expenses. The governing board has designated, from net assets without donor restrictions, net assets for board-designated endowments and charitable gift annuities. Both income and principal of the board-designated funds may be used by the Association with the Board of Director's approval.

Net assets with donor restrictions are the part of net assets that are subject to donor-imposed restrictions. A donor-imposed restriction is a donor stipulation that specifies a use for a contributed asset that is more specific than broad limits resulting from the following: the nature of the not-for-profit entity, the environment in which it operates, or the purposes specified in its articles of incorporation, bylaws or comparable document. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events such as acquisition or construction of property and equipment specified by the donor. Some donor-imposed restrictions are perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity. Net assets maintained in perpetuity include endowment contributions and a beneficial interest in perpetual trust. Generally, the donors of these assets permit the Association to use all or part of the income earned on the related investments for general or specific purposes.

Appreciation and income earned on donor-restricted endowment funds are classified as net assets with donor restrictions until appropriated for spending. Changes in value of the beneficial interest in perpetual trust and certain charitable gift annuities are classified as net assets with donor restrictions depending on the terms of the underlying agreements. Donor-restricted resources intended for capital projects are initially recorded as net assets with donor restrictions and released and reclassified as net assets without donor restrictions when the asset is placed in service. When a time restriction ends, or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the year of contribution are reported as without donor restrictions. Investment income earned on donor restricted contributions whose restrictions are met within the same year as received is reported as investment income in net assets without donor restrictions.

Fair Value Accounting

The Association measures the fair value of its financial assets and liabilities as the price that would be received to sell an asset or paid to transfer a liability in the principal market for the asset or liability. In the absence of a principal market, the Association would use the most advantageous market for the asset or liability, in an orderly transaction between market participants at the measurement date.

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

The Association categorizes the financial assets and liabilities, based on the priority of inputs to the valuation technique, into a three-tiered hierarchy which maximizes the use of observable inputs, and minimizes the use of unobservable inputs as follows:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities. Included in Level 1 are public equity, debt securities, cash and money market funds, and alternative mutual funds.
- Level 2 Observable inputs other than those included in Level 1, such as quoted prices for similar assets and liabilities, quoted prices in markets that are not active. Included in Level 2 are debt securities. Inputs are obtained from various sources including market participants, dealers and brokers.
- Level 3 Unobservable inputs using estimates and assumptions developed by the Association, which reflect those a market participant would use. Included in Level 3 is the beneficial interest in perpetual trust. The fair values of the underlying securities in the trust are obtained from various sources including market participants, dealers and brokers.

Assets and liabilities measured at fair value are based on one or more of three valuation techniques. The three valuation techniques are as follows:

Market Approach – Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities.

Cost Approach – Amount that would be required to replace the service capacity of an asset (i.e., replacement cost); and

Income Approach – Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing models, and lattice models).

The Association utilized the market approach to determine the fair value of its financial instruments in fiscal years 2025 and 2024.

Investments which are not publicly traded consist primarily of investments in limited partnerships and private equity investments. These are recorded at Net Asset Value (“NAV”) as a practical expedient for fair value and are excluded from the fair value hierarchy. The Association uses the NAV to determine the fair value of the underlying investments which do not have a readily determinable fair value and prepare their financial statements consistent with the measurement principles of an investment company or have the attributes of an investment company.

Depending on the underlying asset, the NAV is determined by the underlying asset's manager through national exchange price for securities with a readily determinable value or valuations and estimates. The financial statements of these investments are audited annually (typically December 31) by independent auditors.

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

Cash and Cash Equivalents

Cash and cash equivalents are short-term highly liquid investments with original maturities of three months or less at the time of purchase, except the Association elects to treat highly liquid short-term investments included in the Association's investment portfolio as investments. Included in cash and cash equivalents are amounts in excess of FDIC limits. Management believes the credit risk related to these amounts is minimal.

Revenues From Nonexchange Transactions

Revenues from nonexchange transactions which include contributions, special events and government contract revenues, are recorded as net assets without donor restrictions or net assets with donor restrictions depending upon the existence and/or nature of donor restrictions. Revenues from nonexchange transactions may also be subject to conditions, in the form of both a barrier to entitlement and a refund of amounts paid (or a release from obligation to make future payments). Revenues from conditional nonexchange transactions are recognized when the barrier is satisfied, which is generally as costs are incurred. In addition, the Association has elected the simultaneous release option for unconditional contributions that are subject to purpose restrictions. Under this option, net assets without donor restrictions include the donor-restricted contributions for which the purpose restrictions are met in the same reporting period as the revenue is recognized.

The Association records contributions receivable, net of allowances for estimated uncollectable amounts, when there is sufficient evidence in the form of verifiable documentation that an unconditional promise was received. The Association discounts multi-year pledges that are expected to be collected after one year using a risk adjusted discount rate. Multi-year pledges are recorded at fair value at the date of the pledge. Government contributions receivable are recorded in government receivables. All other contributions are recorded in contributions receivable. The allowance for doubtful accounts is determined by the age of the balance, historical collection rates, and specific identification of uncollectible accounts. Uncollectible contributions receivable are charged to the allowance. An expense is recorded at the time the allowance is adjusted.

Conditional promises to give are recognized only when the conditions on which they depend are substantially met.

Donations of Nonfinancial Assets and Services

Contributed nonfinancial assets are recorded at the respective fair values of the goods or services received at the date of donation. Contributed nonfinancial assets are reported in the statement of activities separate from contributions of cash and other financial assets. Disclosures are required for the disaggregation of the amount of contributed nonfinancial assets recognized in the statement of activities by category and type, qualitative information about whether the contributed nonfinancial assets were monetized or utilized, a description of the program(s) if utilized, policies surrounding monetization and utilization, donor imposed restrictions, valuation techniques and inputs to arrive at fair value, and information about the principal market used to determine fair value. See Note 10 for the disclosure related to the contribution of a nonfinancial asset in 2024. No contributions of nonfinancial assets were received in 2025.

In addition to contributed nonfinancial assets, a substantial number of corporations and volunteers have donated significant amounts of time and services in the Association's program operations and in its fund-raising campaigns. However, such contributed services do not meet the criteria for recognition of contributed services contained in accounting principles generally accepted in the United States of America and, accordingly, are not reflected in the accompanying financial statements. Other donated services are recorded in the financial statements if they enhance

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

nonfinancial assets, are provided by a person possessing a specific skill and the Association would need to purchase these services if not donated.

Government Contract Revenues

The Association has contracts with city, state and federal agencies to provide a variety of program services to the public based on contract requirements, including eligibility, procurement, reimbursement, curriculum, staffing and other requirements. These program services range from childcare and after school programs, day camp, family programs, programs for seniors, transitional housing, workforce readiness, and health and welfare related programs.

These contracts from government agencies are primarily considered conditional nonexchange transactions and are recorded as government contract revenues as the associated barriers are overcome, which is generally as allowable expenses are incurred. Advances are recorded as refundable advances from government contracts upon receipt.

Revenues From Exchange Transactions

The Association has multiple revenue streams that are accounted for as exchange transactions including membership and program fees, and residence program and related services.

Because the Association's performance obligations relate to contracts with a duration of less than one year, the Association has elected to apply the optional exemption provided in FASB ASC 606 10-50-14(a), *Revenue from Contracts with Customers*, and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

Membership Dues and Program Fees

Membership dues and program fees consist of amounts that families and individuals pay to participate in health, fitness, education and recreation activities and programs. Members join for varying lengths of time and may cancel with fifteen days' notice. Members may pay a one-time joining fee plus monthly dues in advance. Memberships provide use of the recreation and fitness facilities, access to free classes, programs and activities, and discounts to fee-based programs. The Association offers a variety of programs including family, childcare, day camp, teen, scholastic, fitness, aquatics, health, and workforce readiness. Fee-based programs are available to the general public. Program fees for short duration programs of two months or less, such as aquatics classes, are typically paid in advance at the time of registration. Program fees for longer duration programs, such as fee-based childcare, are usually paid monthly in advance. Cancellation provisions vary by program, but most transactions are cancellable with fifteen to thirty days' notice. Refunds may be available for services not provided. Financial assistance is available to members and program participants.

Membership dues and program fees are recognized ratably over the period the membership or program service is provided on a straight-line basis. Membership joining fees are ratably recognized over a one-year period from the membership start date.

Membership dues and program fees paid to the Association in advance are recorded as deferred revenue. Amounts billed but unpaid are recorded as other receivables.

Residence Program Fees and Related Services

The residence program includes transitional housing, guest rooms and community room rentals.

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

Transitional housing is focused on transitioning vulnerable New Yorkers to independence through temporary housing and supportive services and is primarily paid through partnerships with other not for profit organizations and government agencies using memorandums of understanding or contracts. Transitional housing program fees are paid based on the terms of the contracts, which are generally after the service is performed.

Guest rooms are affordable hostel style rooms rented to New York City visitors for brief periods and represent one of the oldest programs of the Association dating back to its origins in 1852. Guest rooms are either paid in advance of the stay or are billed in arrears depending on arrangements. Deposits or full advance payments may be received for guest rooms at the time the reservation is made and are generally cancellable with 48 hours' notice. Individual guest room reservations are paid upon check-in or in advance of the stay, unless arrangements are made through a booking agent. Arrangements for guest rooms through booking agents are billed and paid after the stay. Group guest room reservations generally include a deposit at time of reservation, are billed and paid in arrears after the service is performed and are cancellable with thirty days' notice prior to arrival. Refunds may be available for services not provided.

Community rooms and spaces are rented out to not for profit organizations, community groups, residents, members and others and are generally paid in advance. Deposits are generally received at the time the reservation is made.

Residence program and related fees revenues are recognized ratably over the period the service is provided on a straight-line basis. Deposits, advances, and upfront payments are recorded as deferred revenue upon receipt. Included in other receivables are contract assets for unbilled services and receivables for billed unpaid services.

Other Receivables

The Association extends credit to third party payers of child development, residence and other programs in the normal course of operations which are due within 90 days of the date of service. The Association also extends credit to its members enrolling in certain programs, such as summer and day camp, which are due in full prior to the start of the program. Receivables are recorded at estimated fair value upon completion of performance obligations and are reflected in the statements of financial position net of allowance for doubtful accounts. The allowance for doubtful accounts is determined by a monthly review of account balances, including the age of the balance, historical collection experience, current conditions and reasonably forecasted future events. Uncollectible receivables are charged to the allowance. An expense is recorded at the time the allowance is adjusted.

Investments

The fair value of investments in securities traded on national securities exchanges are valued at the closing price on the last business day of the year; securities traded on the over-the-counter market are valued at the last reported bid price. Investments which are not publicly traded, are recorded at NAV. Investment transactions are accounted for on the dates the purchases or sales are executed (trade date). Realized gains and losses are computed on the average-cost basis for investments sold. Unrealized gains and losses are recorded on an annual basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned.

Young Men’s Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

Property and Equipment

Property and equipment are recorded at cost, including interest on funds borrowed to finance the acquisition or construction of major capital additions. No interest was capitalized during the year ended December 31, 2025 and 2024. Depreciation and amortization are provided for using the straight-line method over the estimated useful lives of the related assets as follows:

	Range of Estimated Useful Lives
Buildings and leasehold improvements	15-40
Furniture and fixtures	7-10
Equipment	3-7

Donated assets are recorded at their estimated fair value on the date of donation. Property and equipment under finance lease obligations and leasehold improvements are amortized on the straight-line method over the shorter period of the lease term or the estimated useful life of the asset. Gains and losses are recognized in the statements of activities upon disposal of property and equipment.

Leases

The Association has entered into various noncancelable operating leases for program facilities. In addition, the Association has entered into operating and finance leases for equipment. The Association determines if an arrangement is a lease at inception.

Operating leases (with the exception of leases with a term of twelve months or less) are recorded in operating lease right of use assets and obligations under operating leases liabilities in the statements of financial position. Finance leases are recorded in property and equipment, net and obligations under finance leases in the statements of financial position. Leases with a term of twelve months or less are considered short term leases and are accounted for as supplies expense in the statement of activities as rental payments are incurred. The Association does not separate lease components from nonlease components.

Operating and finance lease assets represent the Association’s right to use an underlying asset for the lease term and lease liabilities represent its obligation to make lease payments arising from the lease. Operating and finance lease assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. When the lease does not provide an implicit rate, the Association uses a secured borrowing rate based on the information available at commencement date in determining the present value of lease payments. The Association uses the implicit rate when readily determinable. The Association’s lease terms may include options to extend. Operating lease expense for lease payments are recognized on a straight-line basis over the lease term. Finance lease expense includes two components: straight line amortization expense over the life of the underlying equipment and interest expense on the outstanding liability.

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

Accounting for the Impairment of Long-Lived Assets

The Association reviews property and equipment for impairment whenever events or changes in circumstances indicate that the related carrying value may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the asset to future net cash flows, undiscounted and without interest, expected to be generated by the asset. If assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the asset.

Split-Interest Agreements

The Association receives contributions in the form of charitable gift annuities, under which the Association agrees to pay the donor or the donor's designee a fixed amount for a period of time. The fair value of the assets has been included in the Association's statements of financial position, and a corresponding liability has been recorded to reflect the present value of the required lifetime payments to the named beneficiaries using discount rates ranging from 1.2% to 2.4% for the year ended December 31, 2025 and 2024, in accounts payable and accrued expenses in the statements of financial position. The difference between the fair value of the assets received and the present value of the obligation to named beneficiaries under the agreements is reported as contribution revenue in net assets with or without donor restrictions in the accompanying statement of activities. Realized and unrealized gains and losses, and interest and dividend revenue from the investments are also recorded as nonoperating changes in the accompanying statement of activities. Payments of the obligations are reflected as adjustment to the liability. Amortization of discounts and changes in actuarial assumptions are reflected in the statement of activities as change in value of split-interest agreements.

Beneficial Interest in Perpetual Trust

The Association has a beneficial interest in a perpetual trust whereby the assets are held in perpetuity by a third-party trustee. The asset is recorded in the accompanying statements of financial position at the fair value of the underlying trust assets as the Association is the sole beneficiary of the trust. Net appreciation (depreciation) of the beneficial interest in perpetual trust is recorded as a change in value of beneficial interest in perpetual trust in net assets with donor restrictions in accordance with the trust agreement. The distribution from the perpetual trust to the Association is included in the endowment distribution, is determined annually by the trustees, and is 5 percent of the average fair value of the trust for the prior three years ended December 31st.

Measure of Operations

The Association includes in its definition of measure of operations, excess (deficit) of operating revenues and public support over operating expenses and losses, all support and revenues that are an integral part of its programs and supporting activities. Included in operating revenues and public support, is an amount earned on the Association's investment portfolio developed from the endowment spending formula for operations and the distribution from the beneficial interest in perpetual trust. Excluded from operating revenues and public support and expenses are investment returns in excess of or less than the endowment spending formula amount for operations, changes in value of split-interest agreements and beneficial interest in perpetual trust and gain on defeasance of debt. The endowment spending rate formula amount included in current operations is 5 percent of the trailing average fair value of the endowment investment portfolio for the 20 quarters ended the prior June 30th. Distributions received on the beneficial interest in perpetual trust are based on 5 percent of the average fair value of the trust for the prior three years ended December 31st.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

Functional Expenses

The Association records expenses on a functional basis among its various program activities and supporting services. Program activities represent the costs associated with the delivery of programs relating to youth development, healthy living and social responsibility. Expenses that can be identified with a specific program or supporting service are charged directly. Other expenses that are common to several functions are allocated by various statistical bases. Salaries and related expenses are allocated based on time and effort. Staff training and conferences, contract services, supplies and other, insurance, promotion and advertising and interest are allocated based on total directly identified expenses. Facility occupancy, repairs and maintenance, depreciation and amortization are allocated based on square footage.

Summarized Comparative Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class and functional expense. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Association’s financial statements for the year ended December 31, 2024, from which the summarized information was derived.

3. Cash, Cash Equivalents, and Restricted Cash

A reconciliation of cash, cash equivalents, and restricted cash reported within the statements of financial position that sum to the total of the same such amounts in the statements of cash flows is as follows as of December 31:

	2025	2024
Cash and cash equivalents	\$ 69,325,176	\$ 42,076,111
Cash included in investments	7,109	9,575
Cash and cash equivalents internally designated for capital acquisitions	9,054,246	9,054,246
Cash and cash equivalents restricted for use	<u>79,992</u>	<u>78,941</u>
Total	<u>\$ 78,466,523</u>	<u>\$ 51,218,873</u>

The Board has internally designated the net proceeds of the Series 2018 Bonds, less the capitalized interest maintained by the trustee, to be set aside for construction and acquisition of property and equipment.

Interest and dividends are earned on certain bond accounts, which are applied to future interest payment requirements.

4. Liquidity and Availability

The Association regularly monitors liquidity to meet operating needs and general expenditures within one year. The Association has various sources of liquid resources at its disposal, which includes cash and cash equivalents and an operating line of credit.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

The Association’s financial assets available within one year of the date of the Statements of Financial Position for general expenditures are as follows for the years ended December 31:

	2025	2024
Financial assets		
Cash and cash equivalents	\$ 62,791,702	\$ 32,817,624
Government receivables, net	19,190,133	22,519,660
Other receivables, net	3,141,781	7,152,768
Contributions receivable due in one year or less, net	209,497	77,246
Investments held separately from endowment investments	-	21,084,916
Endowment distribution made available to operations in the following year	<u>4,512,490</u>	<u>5,157,876</u>
Financial assets available within one year	<u>\$ 89,845,603</u>	<u>\$ 88,810,090</u>
Liquidity Resources		
Revolving bank line of credit, undrawn balance	10,000,000	10,000,000
Financial assets and liquidity resources available within one year	<u>\$ 99,845,603</u>	<u>\$ 98,810,090</u>

The Association’s governing board has approved an endowment spending distribution of \$3,935,599 and \$4,620,843 for the years ending December 31, 2026 and 2025, respectively. In addition, the trustees of the beneficial interest in perpetual trust have approved a distribution of \$576,891 and \$537,033 for the years ending December 31, 2026 and 2025, respectively. Both distributions will provide additional resources available for general expenditures.

The Association’s governing board has designated a portion of its net assets without donor restrictions for endowment and a portion of its cash and cash equivalents for construction and acquisition of property and equipment. The board designated endowment funds, invested for long-term appreciation, and the board designated cash and cash equivalents for construction and acquisition of property and equipment are not included in the financial assets available at year end for general expenditures. These assets, which are more fully described in Notes 3, 16 and 17, are not available for general expenditure within the next year; however, the board-designated amounts could be made available, if necessary.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

The following table presents information as of December 31, 2024 about the Association’s financial assets that are measured at fair value on a recurring basis:

	Level 1	Level 2	Level 3	Investments measured at NAV	Total
Cash equivalents restricted for use					
Money market mutual funds	\$ 1,204	\$ -	\$ -	\$ -	\$ 1,204
Investments					
Public equity	37,661,964	-	-	31,844,948	69,506,912
Debt securities	9,409,678	21,078,148	-	-	30,487,826
Cash and money market funds	1,654,080	-	-	-	1,654,080
Private equity	-	-	-	841,085	841,085
Alternative mutual funds	14,845	-	-	-	14,845
	48,740,567	21,078,148	-	32,686,033	102,504,748
Beneficial interest in perpetual trust	-	-	11,833,759	-	11,833,759
	<u>\$ 48,741,771</u>	<u>\$ 21,078,148</u>	<u>\$ 11,833,759</u>	<u>\$ 32,686,033</u>	<u>\$ 114,339,711</u>

The following table provides a roll forward of the fair value of Level 3 investments for the years ended December 31:

	Level 3	
	Beneficial Interest in Perpetual Trust	
	2025	2024
Beginning balances	\$ 11,833,759	\$ 10,868,261
Change in value of beneficial interest in perpetual trust	1,783,175	1,507,899
Distributions from trust	<u>(537,033)</u>	<u>(542,401)</u>
Ending balances	<u>\$ 13,079,901</u>	<u>\$ 11,833,759</u>

The Association’s policy is to recognize transfers in and out of Level 3 as of the end of the year or change in circumstances that caused the transfer. There were no transfers between levels for the years ended December 31, 2025 and 2024.

Accounting standards permit the measure of fair value of investments that do not have a quoted market price, but a NAV per unit. The NAV is calculated based on the valuation of the funds underlying assets owned by the fund at the fair value at the end of the year. The holdings include investments in limited partnerships and private equity funds. The fair value of the investments have been estimated using NAV of the fund shares.

Public equities include investments in common stocks, mutual funds and limited partnership interests.

The public equity funds do not have a predetermined fund term, but the private equity funds have predetermined life expectancies of 10 to 15 years.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

The following table lists investments in investment companies that are valued at NAV by major category as of December 31, 2025:

Asset Category	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period	Redemption Restrictions in Place at Year End
Public equity	\$ 19,960,509	\$ -	Daily to 1 month	1-30 days	None

Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

The Association was required under New York and New Jersey state laws to invest minimum pre-determined amounts of up to \$228,577 and \$238,278 for December 31, 2025 and 2024, respectively, for charitable gift annuities in segregated accounts, and was in compliance with the state requirements.

10. Property and Equipment

Property and equipment consist of the following at December 31:

	2025	2024
Land	\$ 18,723,812	\$ 18,723,812
Buildings and improvements	522,548,194	519,264,393
Equipment (includes finance leased assets of \$10,762,213 in 2025 and \$10,048,840 in 2024)	41,375,558	45,542,860
Furniture and fixtures	26,383,385	23,769,680
Leasehold improvements	409,737	345,137
Construction in progress	<u>2,539,723</u>	<u>1,000,000</u>
	611,980,409	608,645,882
Less: Accumulated depreciation and amortization	<u>(311,186,321)</u>	<u>(297,688,738)</u>
Property and equipment, net	<u>\$ 300,794,088</u>	<u>\$ 310,957,144</u>

In October 2024, the then 50% owner of the Chinatown branch transferred their interest in the branch to the YMCA at less than fair value. As a result, the YMCA became the 100% owner of the property. A contribution of a nonfinancial asset was recognized in 2024 for \$19,200,000 and was recorded without donor restrictions. This nonfinancial asset has been capitalized in land and buildings and improvements. The fair value of the nonfinancial asset contribution was obtained from an appraisal of the property and was based on the cost approach of a special purpose property. The Chinatown branch building is used for all functional expense areas.

In December 2017, the Association entered into a below-market lease agreement for 41 years with the owner of a Bronx property and the developer of that property to lease the La Central branch facility that would be built for the Association on that site. The lease term commenced upon substantial completion of construction of the facility in September 2022. The Association’s lease payments for 41 years of \$18,500,000 were placed into a restricted cash account with the developer’s banker were fully drawn down by said banker during development of the facility. The facility is reflected in the statement of financial position as building and improvements which is being amortized over the 40-year life of the asset. A contribution of a nonfinancial asset, the use of the building for its economic life, from the developer of \$12,900,000 was recognized in 2022 of which \$12,795,122 was recorded with donor restrictions and \$104,878 was recorded without donor restrictions as it represented the amount released from restriction in the year of donation. The donation recorded with donor restrictions is being released from restriction ratably over the lease term. This nonfinancial asset contribution for the use of the building over its economic life has been capitalized in buildings and improvements. The fair value of the nonfinancial asset contribution was obtained from an appraisal of the property and was based on the cost approach of a special purpose property. Because the Association’s obligations under the lease were effectively prepaid, no lease obligation is reflected. The lease contains an option for the Association to buy

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

the branch facility at the end of the lease term for fair market value. The La Central branch building is used for all functional expense areas.

In June 2011, the Association entered into a below-market lease agreement for 40 years with the owner of a Coney Island property and the developer of that property to lease a branch facility that would be built-to-suit for the Association on that site. The lease term commenced upon substantial completion of construction of the facility in March 2014. The Association’s lease payments for 40 years of \$2,200,000 were paid in advance in June 2011. The facility is reflected in the financial statements as Building and Improvements which is being amortized over the 40-year term of the lease. Because the Association’s obligations under the lease were prepaid and the remainder of the value is being contributed by the developer, no lease obligation is reflected. A contribution with donor restrictions from the developer of \$19,157,456 was recognized in 2014 that is being released from restriction ratably over the lease term. The lease contains an option for the Association to buy the branch facility at the end of the lease term for fair market value.

11. Insurance Program

The Association maintains comprehensive general liability insurance coverage to limit the Association’s exposure to claims above specified per occurrence amounts. Under current accounting guidance it is the Association’s policy to accrue an estimate of the ultimate cost of claims under its insurance policy whether the policy is fully insured or a self-insurance policy. The accrued liability is based on the estimated cost of settlement, including an amount determined from reports of individual cases and an additional amount for losses incurred but not yet reported, based on estimates by management using an independent actuarial report. In addition, any insurance recoverable under such policy is recorded as a receivable in deferred charges and other assets. As of December 31, 2025 and 2024, the accrued liability for self-insured losses and the insurance recoverable (included in deferred charges and other assets) under such policies were as follows:

	2025	2024
Accrued liability for self insurance	\$ 11,592,596	\$ 12,463,626
Less: Insurance recoverable under policy	<u>(6,515,558)</u>	<u>(6,725,857)</u>
Net	<u>\$ 5,077,038</u>	<u>\$ 5,737,769</u>

12. Revolving Bank Line of Credit

The Association has a \$10,000,000 committed unsecured revolving bank line of credit with JP Morgan Chase Bank, which matured June 30, 2025 and was renewed through June 30, 2026 with similar terms. The line of credit bears interest at SOFR plus 1.60% or the Chase Bank Prime rate. As of December 31, 2025 and 2024, \$10,000,000 remained available on the line of credit. The interest rate on the line of credit was 5.287% at December 31, 2025.

The revolving bank line of credit contains various covenants including the maintenance of minimum Unrestricted Cash and Investments of \$35,000,000, net of line draws, as defined by the agreement. The Association was in compliance with the financial covenant ratios for the years ended December 31, 2025 and 2024.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

13. Leases

The Association has entered into various noncancelable operating leases for program facilities. In addition, the Association has entered into operating and finance leases for equipment.

In February 2018, The Association entered into a predevelopment agreement with the New York City Economic Development Corporation (“NYCEDC”) to undertake development of a 50,000 square foot facility in the northeast Bronx on land owned by the City of New York. The initial phase of construction began in August 2018, and the facility was completed in 2021. The underlying land was leased under an operating lease to the Association executed March 1, 2019, for 49 years with two 25-year renewal options, for an initial base rent of \$29,826 per annum. Annual rental increases based on the consumer price index began in the 5th year of the lease.

The components of lease costs were as follows for the years ended December 31:

	Statement of Activities Classification	2025	2024
Operating lease costs	Facility occupancy	\$ 29,826	\$ 29,826
Total operating lease costs		<u>29,826</u>	<u>29,826</u>
Amortization of lease assets	Depreciation and amortization	2,517,759	2,484,529
Interest on lease liabilities	Interest	<u>269,788</u>	<u>279,202</u>
Total finance lease costs		<u>2,787,547</u>	<u>2,763,731</u>
Variable and short term lease costs	Supplies	<u>1,085,364</u>	<u>1,034,322</u>
Total lease costs		<u>\$ 3,902,737</u>	<u>\$ 3,827,879</u>

As of December 31, 2025, the maturities of the Association’s lease liabilities were as follows:

	Operating Leases	Finance Leases	Total
2026	\$ 29,826	\$ 2,766,171	\$ 2,795,997
2027	29,826	1,656,473	1,686,299
2028	29,826	1,166,875	1,196,701
2029	29,826	404,960	434,786
2030	29,826	125,673	155,499
Thereafter	<u>1,108,533</u>	<u>-</u>	<u>1,108,533</u>
Total minimum payments	1,257,663	6,120,152	7,377,815
Less: imputed interest	<u>(579,056)</u>	<u>(434,211)</u>	<u>(1,013,267)</u>
Total lease liabilities	<u>\$ 678,607</u>	<u>\$ 5,685,941</u>	<u>\$ 6,364,548</u>

Total rent expense was \$1,115,190 and \$1,064,148 in the years ended December 31, 2025 and 2024, respectively.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

The weighted average remaining lease term and weighted average discount rate were as follows as of December 31:

	2025	2024
Weighted average remaining lease term		
Operating leases	42.2 years	43.2 years
Finance leases	1.8 years	2.0 years
Weighted average discount rate		
Operating leases	3.3%	3.3%
Finance leases	5.0%	5.0%

Supplemental cash flow information related to leases was as follows for the years ended December 31:

	2025	2024
Cash paid for amounts included in the measurement of lease liabilities		
Operating cash flows from operating leases	\$ 7,301	\$ 7,064
Operating cash flows from finance leases	269,788	279,202
Financing cash flows from finance leases	2,987,688	2,728,942

Total debt obligations			<u>\$ 102,622,904</u>	<u>\$ 134,687,953</u>

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

As of December 31, 2025, the aggregate maturities of debt obligations are as follows:

	Series 2018 Taxable Bonds	Series 2020 Taxable Bonds	Series 2025 Taxable Bonds	Total
2026	\$ 1,245,000	\$ 1,045,000	\$ -	\$ 2,290,000
2027	1,300,000	1,080,000	-	2,380,000
2028	1,360,000	1,110,000	-	2,470,000
2029	1,425,000	1,140,000	-	2,565,000
2030	1,490,000	1,175,000	31,000,000	33,665,000
Thereafter	<u>42,765,000</u>	<u>17,630,000</u>	<u>-</u>	<u>60,395,000</u>
	<u>\$ 49,585,000</u>	<u>\$ 23,180,000</u>	<u>\$ 31,000,000</u>	<u>\$ 103,765,000</u>

Proceeds from the Series 2025 Taxable Bonds were distributed as follows: \$30,499,535 was deposited into an escrow account for the defeasance of the Series 2021 Bonds, and \$472,617 was transferred to the Association to pay debt issuance costs. In addition, the Association deposited \$29,778,695 into an escrow to defease the remaining Series 2021 Bonds. The Series 2021 Bonds are considered legally defeased and resulted in gains of \$539,967 which have been reflected in the 2025 statement of activities and changes in net assets as nonoperating changes.

Amortization of bond issuance costs is calculated on a straight-line basis over the life of the bonds.

15. Employee Benefit Plans

Employee Retirement Benefits

The Association participates in The YMCA Retirement Fund Retirement Plan (“Retirement Plan”), which is a defined contribution, money purchase, church plan that is intended to satisfy the qualification requirements of Section 401(a) of the Internal Revenue Code of 1986, as amended, (“Code”) and The YMCA Retirement Fund 403(b) Savings Plan which is a retirement income account plan as defined in section 403(b)(9) of the code. The Retirement Plan is subject to the Employee Retirement Income Security Act of 1974 pursuant to section 401(d) of the Code. Both Retirement Fund Plans are sponsored by the Young Men’s Christian Association Retirement Fund (“Fund”). The Fund is a not-for-profit, tax-exempt pension fund incorporated in the State of New York (1921) organized and operated for the purpose of providing retirement and other benefits for employees of the YMCAs throughout the United States. The plans are operated as church pension plans. Participation is available to all duly organized and reorganized YMCAs and their eligible employees. As a defined contribution plan, the Retirement Plan and 403(b) Savings Plan have no unfunded benefit obligations.

In accordance with the agreement with the Fund, contributions are a percentage of the participating employees’ salaries and are paid by the Association. Total contributions charged to retirement costs were \$5,524,981 and \$4,914,523 in 2025 and 2024, respectively.

Contributions to the YMCA Retirement Fund 403(b) Savings Plan are withheld from employees’ salaries and remitted to the YMCA Retirement Fund. There is no matching employer contribution in this plan. These plans are multiple employer plans under which YMCAs have elected to participate in order to provide retirement benefits for their employees.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

Other Employee Benefits

The Association participates in the YMCA Employee Benefits Plan, which is an employee welfare plan, subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), that has been established, maintained and sponsored by Y-USA to provide comprehensive health and welfare benefits to eligible employees and their dependents of YMCAs throughout the United States. These benefits include health (medical, dental and prescription drug), long-term disability, dental and vision options.

Contributions to the Plan are a shared responsibility of the Association and the employees. Total contributions charged to employee benefits expense were \$6,402,146 and \$5,725,046 in 2025 and 2024, respectively.

16. Net Assets

Net assets are available for the following purposes as of December 31, 2025:

Program services	4,483,583	4,617,489
	<u>\$ 4,834,338</u>	<u>\$ 4,687,722</u>
Released from donor restricted net assets		

17. Endowments

Endowments and Interpretation of Law

On September 17, 2010, New York State adopted a state version of the Uniform Prudent Management of Institutional Funds Act of 2006 (“NYPMIFA”) and the disclosure requirements under GAAP became applicable. This law governs management and spending of donor-restricted endowment funds and gifts with perpetual donor restrictions.

The Association’s endowment consists of approximately 80 individual funds established to support the Association’s programs. The endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. Also included in the endowment are the beneficial interest in perpetual trust and charitable gift annuities.

Young Men's Christian Association of Greater New York

Notes to Financial Statements

December 31, 2025, With Comparative Totals for December 31, 2024

Charitable gift annuity endowment net assets are reported net of annuity obligations to beneficiaries included in accounts payable and accrued expenses in the accompanying statements of position of \$118,762 and \$130,612 at December 31, 2025 and 2024, respectively.

The Board of Directors of the Association has interpreted NYPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Association retains in perpetuity (1) the original value of gifts donated to the perpetual endowment, (2) the original value of subsequent gifts to the perpetual endowment, and (3) accumulations to the perpetual endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

In accordance with NYPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds. (1) the duration and preservation of the donor-restricted endowment fund, (2) the asset's special relationship of value, if any, to the charitable purpose of the Association, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the organization, (7) where appropriate and circumstances would otherwise warrant, alternatives to expenditure of the donor-restricted endowment fund, giving due consideration to the effect that such alternatives may have on the Association and (8) the investment policies of the Association.

In accordance with current New York State law, the remaining portion of the donor restricted endowment that is not classified in net assets with donor restrictions in perpetuity is classified as net assets with donor restrictions until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by NYPMIFA.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the value of the initial and subsequent donor contribution amounts (deficit). When donor-restricted endowment fund deficits exist, they are classified as a reduction of net assets with donor restrictions. The Association has interpreted NYPMIFA to permit spending from endowments with a deficit in accordance with prudent measures required under law. No deficits existed as of December 31, 2025 or 2024.

Return Objectives and Risk Parameters

The Association adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the agreed upon benchmarks while assuming a moderate level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives the Association relies on a total investment return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Association targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives with prudent risk constraints.

Young Men’s Christian Association of Greater New York
Notes to Financial Statements
December 31, 2025, With Comparative Totals for December 31, 2024

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Association has a general policy for donor restricted and board designated funds of appropriating for distribution for operations each year 5 percent of its endowment investment fund’s average fair value over the prior 20 quarters through June 30th preceding the fiscal year in which the distribution is planned, regardless of whether the fair value exceeds the historical cost of the fund. In establishing this policy, the Association considered the long-term expected return on its endowment. The Association’s objective is to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return. Certain board designated endowments, established in 2021, have a special fixed distribution rate from 2022 through 2026, to meet operational goals of the funds.

The distribution from the beneficial interest in perpetual trust to the Association is included in the endowment distribution, is determined annually by the trustees, and is 5 percent of the average fair value of the trust for the prior three years ended December 31.

At December 31, 2025, the endowment net asset composition by type of fund consisted of the following:

	Without Donor Restriction	With Donor Restriction	Total
Donor-restricted endowment funds	\$ -	\$ 33,627,522	\$ 33,627,522

18. Contingencies and Commitments

The Association receives fees and grants from various federal, state and city government agencies for services performed under contracts. Such contracts are subject to governmental compliance audits and may, from time to time, result in adjustments to fees and grants received. In the opinion of the Association, the disposition of all such matters would not have a material adverse effect on the Association’s financial position or changes in its net assets.

The Association had received grant funding from the New York City Economic Development Corporation (the “City”) which supported building improvements at the Bedford-Stuyvesant, North Brooklyn, and Prospect Park branches. The City has encumbered these branches with performance mortgages and restricted covenants at December 31, 2025 as follows:

Branch Name	Type	Term In Years	Expiration Date
Bedford-Stuyvesant	Restrictive Covenant	30	07/30/37
North Brooklyn	Performance Mortgage	20	03/09/29
Prospect Park	Restrictive Covenant	30	06/26/44

The primary difference between a performance mortgage and a restrictive covenant concerns the remedy available to the City to ensure that the property is used in conformance with the purpose

for which City funds were provided, or an alternative use acceptable to the City. A performance mortgage is remedy-specific, meaning that the City has the right to “foreclose” on the property to enforce the use of the property; the City or its designee can provide the required services. A restrictive covenant enables the City to compel the Association to provide the required services.

The Association is involved in various litigations arising in the ordinary course of business. In the opinion of management, the disposition of all such matters should not have a material adverse effect on the Association’s financial position or changes in its net assets.

19. Subsequent Events

In preparing these financial statements, management has evaluated and disclosed all material subsequent events up through June 4, 2026, which is the date that the financial statements are issued.
